These directions apply only in situations when I am not able to make or communicate my health care choices directly. Put an X through any sections you are not completing at this time.

1. Terminal Conditions (Living Will)

I provide these directions in accordance with the Montana Rights of the Terminally Ill Act. These are my wishes for the kind of treatment I want if I cannot communicate or make my own decisions. These directions are only valid if both of the following two conditions exist:

- I have a terminal condition, and
- in the opinion of my attending physician, I will die in a relatively short time without life sustaining treatment that only prolongs the dying process.

I authorize my Representative, if I have appointed one, to make the decision to provide, withhold, or withdraw any health care treatment.

General Treatment Directions

Check the boxes that express your wishes:

☐ I provide no directions at this time.

☐ I direct my attending physician to withdraw or withhold treatment that merely prolongs the dying process.

I further direct that (check all boxes that apply):

☐ Treatment be given to maintain my dignity, keep me comfortable and relieve pain even if it shortens my life.

☐ If I cannot drink, I do not want to receive fluids through a needle or catheter placed in my body unless for comfort.

☐ If I cannot eat, I do not want a tube inserted in my nose or mouth, or surgically placed in my stomach to give me food.

☐ If I have a serious infection, I do not want antibiotics to prolong my life. Antibiotics may be used to treat a painful infection.

I have attached additional directions regarding medical treatment to this form:

☐ Yes  ☐ No
2. Chronic Illness or Serious Disability (Optional)

My chronic illness or disability can complicate an acute illness, but should not be misinterpreted as a terminal condition.
